FEE-HELP

What is FEE-HELP?

FEE-HELP is an **Australian Government Loan Scheme** that assists students to pay their tuition fees.

ECC is an approved Higher Education Provider and can offer FEE-HELP to eligible students to assist them in the payment of all or part of their tuition fees.

How does it work?

The Australian Government pays the amount of the ECC tuition fees directly to ECC. You'll repay the loan through the Australian taxation system once you earn above the compulsory repayment threshold. For more information, please visit studyassist.gov.au/paying-back-your-loan/loan-repayment

Who is eligible?

To get a FEE-HELP loan, you must:

- be an Australian citizen and study at least part of your course in Australia
- be a New Zealand Special Category visa (SCV) holder or permanent humanitarian visa holder and meet the residency requirements – permanent residents can only get FEE-HELP for approved bridging studies
- maintain a pass rate of at least 50 percent
- have an available HELP balance.

FEE-HELP loan fee

When enrolled in a full fee-paying place, there is a 20 percent FEE-HELP loan fee applied to some undergraduate study. The loan fee does not count towards the HELP loan limit. The loan fee is applied to each unit of study.

How do I apply for FEE-HELP?

Once you receive your Letter of Offer, you will be given the option to apply for FEE-HELP. If you wish to use FEE-HELP to cover your tuition fees, you will need to complete the FEE-HELP form, Questionnaire and submit to ECC.

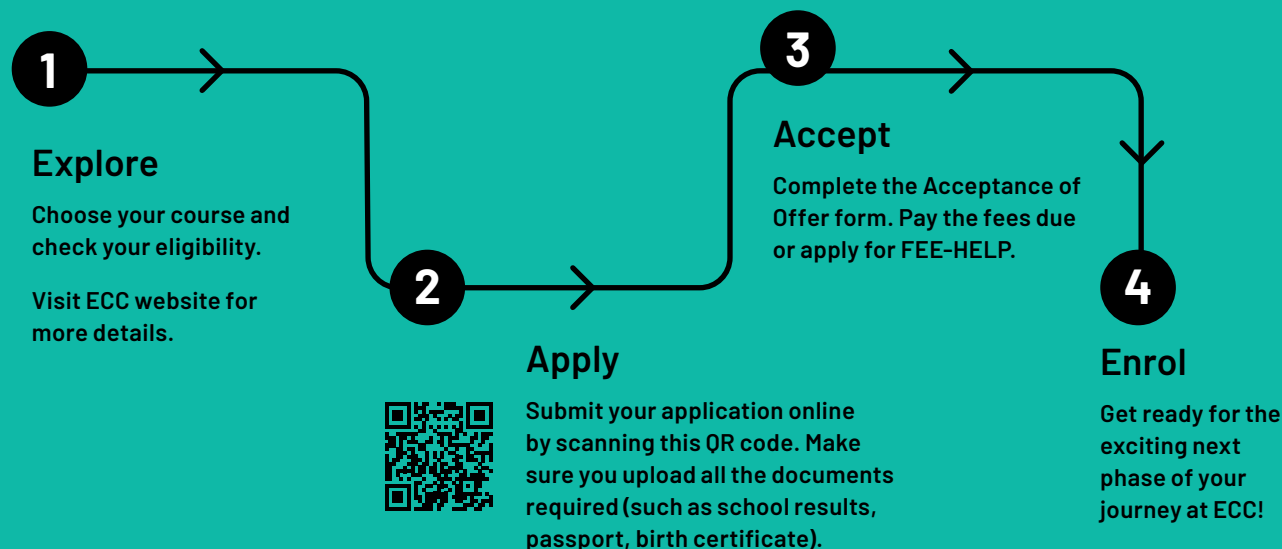

The census date is the last date you can submit your request for FEE-HELP or withdraw from your course without incurring a FEE-HELP debt (falls 20% of the way through the study period). If you do not submit your form by the census date, you will not be able to claim FEE-HELP. If you withdraw from your course after the census date you will still have a FEE-HELP debt which must be paid.
